                  )  
                  ) TRUSTEE'S MOTION TO DISMISS  
                  ) FOR FAILURE TO COMPLETE PLAN  
                  ) WITHIN SIXTY (60) MONTHS  
Debtor(s). )  
                  )

Wayne Godare, Standing Chapter 13 Trustee ("Trustee"), moves this Court for an order dismissing this case due to the failure of Debtor(s) to complete the plan within the sixty-month limit as required by 11 U.S.C. § 1322(d). The sixtieth plan payment is due in June 2016.

The plan appeared feasible at the time of confirmation. However, Debtor(s) failed to:

- pay to the Trustee all required plan payments
- pay to the Trustee all tax refunds as required by plan ¶1(c)
- provide the Trustee copies of tax returns for tax year(s) \_\_\_\_\_
- pay to the Trustee additional income as required by plan ¶\_\_\_\_\_
- sell or refinance an interest in real property by July 24, 2014 \_\_\_\_\_

The amount necessary to pay off the case is approximately \$18,010. If there are no further attorney fees, it will take 46 more months to complete the plan at the current plan payment of \$400.

The Trustee requests the Court dismiss this case since the plan will not complete within the maximum sixty-month limit. The Trustee requests the Court set a hearing on this Motion.
